MEET THE EXEC!!!!

SAMANTHA RODRIGUEZ - SECRETARY

Hello APPLE family,

My name is Samantha Rodriguez and this is my second year as Secretary of the APPLE program.

I have two daughters in the program, Daniela in grade 2 and Olivia in JK. Many people thought it strange when I placed my oldest daughter on the APPLE wait list when she was 4 months old. Thus far, it has been a wonderful experience. Watching my children grow in their learning environment and receive support and direction from other leaders is such a valuable experience. A huge shout out to all the amazing families I've had the pleasure to get to know, it's humbling to know we're all in this together!!

Prior to the Secretary role, I was a duty scheduler. It was a helpful step prior to taking on a leadership role and allowed me to earn hours outside of the classroom. Since taking on the role of Secretary, I've thoroughly enjoyed the opportunity I've had to learn more about the behind the scenes work of the APPLE program. This small but mighty group of leaders work tirelessly to ensure things are running smoothly. For those considering taking on a leadership role in the fall, the Secretary role is excellent for those looking for extra hours working from home. Connect with me at secretary@appleprogram.ca if you have any questions.

Part of the role as Secretary is overseeing the Core Gazette. Rebecca Summerfield has been our fearless leader this year and has done an awesome job in keeping the momentum going with monthly issues and providing amazing content. Thank you for all Rebecca & Gazette reports your hard work 😊

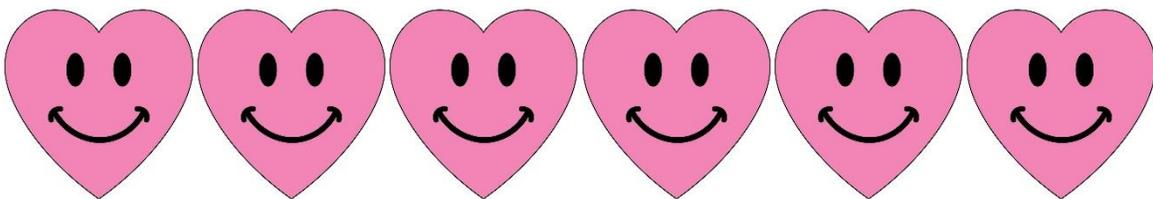

Spring is around the corner and I am excited to spend more time outside. You can usually find us on the playground after school, feel free to approach me to say hello and ask me more about my APPLE journey!

Yours truly,

Samantha

MRS. DOYLE'S GRADE 2/3 CLASS

It's hard to believe that the end of the school year is fast approaching! Our class has been keeping busy and recently had a fun afternoon that combined math and art. Thank-you to Ms. Doyle and our craft co-ordinator Maegan Jamieson for organizing this and to the parents who came to volunteer at each station. The kids really enjoyed themselves as you can tell by the smiles on their faces.

CORE GAZETTE: APRIL-MAY 2019

May and June will be busy as always. Our class has two planned field trips coming up in June. We will be crafting a fun project at the Home Depot on June 14th and burning off some energy at our end of year trip to the Western Sports Complex on June 21st. Will we be needing some of our wonderful parent volunteers for these trips so please mark your calendars!

If you would like to see what our creative students have been up to in art, make sure to check out the bulletin board across from the classroom to see the crazy hair art. We have a class full of talented artists!

SPECIAL REQUEST OF PARENTS

The school year is quickly coming to an end and I am requesting any and all pictures that you've taken of any school function OR your child this year. Ideally I can make the June edition of the Core Gazette a picture edition to celebrate the closing of the 2018-2019 school year.
