MEET YOUR CORE GAZETTE EDITOR!!!! REBECCA SUMMERFIELD

Hello APPLE family,

My name is Rebecca Summerfield and this is my second year on the Core Gazette. Last year I was a Co-editor and this year I'm the Editor.

My daughter, Lizzie, is in the Apple Program and I also have a son that's in highschool.

I work at Fanshawe College as a Career Services Consultant. Every day I get to help college students gain the job search skills necessary to be successful in their careers. It's an honour to contribute to the future of a student, one student at a time.

The reason I joined the Core Gazette is that I love to write and put together newsletters. I've been involved in writing since I was a little girl and putting together the Core Gazette is my way of contributing to this wonderful Apple family.

We are going into our 3rd year as an Apple family and moving to the program was the best decision ever. The teachers are phenomenal, the families are welcoming and the staff are terrific.

I couldn't create a great edition without the help of our Classroom reporters and our unofficial photographer, Diane. Thank you!

Enjoy your summer 😊 See you in September!

Rebecca Summerfield

MS. HILL'S GRADE 3/4/ CLASS

The year has flown by and Ms. Hill's group of eager grade threes and fours are another year wiser and a whole lot taller—even taller than Ms. Hill! And while they are not sad to be done with the EQAO, they are definitely sad to be done with the year.

The last few months have been busy, especially for the grade threes, but the grade fours have been so good about helping their friends through the EQAO process. An example of this was their "escape the woods" activity which paired off students to answer tough math questions and word problems to get out of the woods. Once Marena and Bella found their way out, the others were quick to follow.

Where else do you find numeracy skills and teamwork? In the kitchen of course! The kids headed out to Growing Chefs for a fun and interactive day of cooking (and eating!). They made cheddar and chive biscuits, chicken and vegetable soup, asparagus risotto, and fruit cake complete with their own decorative plating.

Finally, while the kids are excited for their new adventures next year, they are sad that Preston will be going to a new school. He and his family will be greatly missed from the APPLE community and we wish him all the best at his new school.

Have a great summer, everyone! And don't forget to check out your local library and sign up for the summer reading program. See you in September!

MRS. HUFFMAN'S GRADE 7/8 CLASS UPDATE

It's a bitter sweet time of year - the grade 8s are moving onto the next phase of life, while the grade 7s start getting excited about being the grade 8s next year.

A great amount of work has been done to make sure that the grade 8s have a fantastic graduation and I want to personally thank everyone for their dedication and commitment throughout the year.

Their year end trip was to Niagara Falls! From the Bird Kingdom, to the Falls, to Clifton Hill, the day was long but the memories are forever.

CORE GAZETTE: JUNE 2019

I hope that you've enjoyed the June edition of the *Core Gazette*, the final edition for the 2018-19 school year. All feedback is welcome!

- Mrs. Mayberry's class - Tina Grozelle
- Ms. Doyle's class - Shauna Roy
- Ms. Hill's class - Kylene Walker
- Mrs. Zimmer - Natasha Hockley
- Malloy - Jenny Legros
- Mrs. Huffman - Rebecca Summerfield

The *Core Gazette* will be a monthly publication for the year. Please submit all submissions by the 15th of every month.
